

Dear Friend of the Festival,

As the year-end approaches, New York Int'l Children's Film Festival is reaching out to our most valued and loyal patrons to ask for your support. NYICFF is a non-profit charity organization dedicated to expanding the horizons of young people by bringing beautiful, meaningful, thought-provoking film from around the world to New York families. We cannot do this without your help.

This year we are saving trees by conducting an email only annual appeal. I hope you will please take a minute to [make a tax deductible donation](#) to the Festival.

Producing the New York Int'l Children's Film Festival is a year-round endeavor, made possible through the enormous effort of our small programming staff and nearly 100 volunteers and interns. Even though tickets sell for \$10-\$15, it costs over \$60 per seat to produce the event. Additionally, we ensure audience diversity by offering discounts at over 100 New York City schools and by providing Festival access to economically disadvantaged Title 1 students through our newly launched FilmEd program.

NYICFF brings together a world of film under one roof, allowing children and their parents to travel to other continents, experience life in other cultures, engage in discussions with visiting filmmakers, and gain an understanding and appreciation of the world outside our borders – all while eating popcorn and having a great time!

In the words of one NYICFF parent “The Festival is one of the greatest reasons to live in New York City.” [Please show your support by making a tax deductible donation today.](#)

Thank you!!!

Best,

Eric
